Silver 70 EnhancedCare PPO Plan Overview

**Your Provider Network**

The Silver 70 EnhancedCare PPO health plan utilizes the EnhancedCare PPO provider network for covered benefits and services. Please make sure you use providers (doctors, hospitals, etc.) in the EnhancedCare PPO provider network. EnhancedCare PPO is available through Covered CA in Los Angeles, Orange, Sacramento, San Diego and Yolo counties, and parts of Placer, Riverside and San Bernardino counties.

This matrix is intended to be used to help you compare coverage benefits and is a summary only. The policy and Schedule of Benefits should be consulted for a detailed description of coverage benefits and limitations. The policy is a legal binding document. If the information in this brochure differs from the information in the policy, the policy controls.

The copayment amounts listed below are the fees charged to you for covered services you receive. Copayments can be either a fixed dollar amount or a percentage of Health Net's cost for the service or supply and is agreed to in advance by Health Net and the contracted provider. Fixed dollar copayments are due and payable at the time services are rendered. Percentage copayments (also called coinsurance) are usually billed after the service is received.

This is a summary of benefits. It does not include all services, limitations or exclusions. Please refer to the policy for terms and conditions of coverage.

1 In accordance with the Affordable Care Act, American Indians and Alaskan Natives, as determined eligible by the Exchange and regardless of income, have no cost sharing obligation under this policy for items or services that are Essential Health Benefits if the items or services are provided by a provider of the Indian Health Service (IHS); an Indian Tribe, Tribal Organization, or Urban Indian Organization, or through referral under contract health services, as defined by federal law. Cost-sharing means copayments, including coinsurance and deductibles.

2 Certain services require prior certification from Health Net. Without prior certification, an additional $250 is applied for in-network providers and $500 is applied for out-of-network providers. Refer to the policy for details.

3 Insured pays coinsurance based on the negotiated rate, which is the rate participating or preferred providers have agreed to accept for providing a covered service.

4 Please refer to the policy for out-of-network reimbursement methodology.

5 Any amount applied toward the calendar year deductible for covered services and supplies received from an in-network provider will not apply toward the calendar year deductible for out-of-network providers. In addition, any amount applied toward the calendar year deductible for covered services and supplies received from an out-of-network provider will not apply toward the calendar year deductible for in-network providers.

6 Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers. Copayments or coinsurance for out-of-network emergency care, including emergency room and ambulance services, accrues to the out-of-pocket maximum for preferred providers.

7 Health Net contracts with Teladoc to provide telehealth services for medical, mental disorders and chemical dependency conditions. Teladoc services are not intended to replace services from your physician, but are a supplemental service. Telehealth services that are not provided by Teladoc are not covered. In addition, Teladoc consultation services do not cover: specialist services; and prescriptions for substances controlled by the DEA, non-therapeutic drugs or certain other drugs which may be harmful because of potential for abuse.

8 Covered services based on the United States Preventive Services Task Force (USPSTF) grade A and B recommendations; recommendations of the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Director of the Centers for Disease Control and Prevention (CDC); women’s preventive care and screenings provided for in comprehensive guidelines supported by the Health Resources and Services Administration (HRSA); and comprehensive guidelines supported by HRSA for infants, children and adolescents. For more information about generally recommended preventive services, go to www.healthcare.gov. The applicable cost-sharing for preventive care will apply to these services.

9 If a hospital does not bill charges for inpatient professional services separately from the inpatient facility fee, the deductible will apply.

10 Benefits are administered by MHN Services, an affiliate behavioral health administrative services company which provides behavioral health services.

11 The Essential Rx Drug List is a list of prescription drugs that are covered by this plan. Some drugs require prior authorization from Health Net. For a copy of the Essential Rx Drug List, go to Health Net’s website. Refer to the policy for complete information about prescription drugs. Plans will cover most female prescription contraceptives at $0 cost-share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your policy and Health Net’s Essential Rx Drug List for coverage, cost-share and tier information. Tier 1, 2, and 3 prescription drugs filled through mail order (up to a 90-day supply) require three times the level of copayment. For details regarding a specific drug, go to www.myhealthnetca.com.

12 Pediatric dental and vision are included up to the last day of the month in which the insured turns 19 years of age. Cost-sharing is applicable for non-diagnostic and preventive pediatric dental benefits.

13 The pediatric dental benefits are underwritten by Health Net Life Insurance Company and administered by Dental Benefit Administrative Services. Dental Benefit Administrative Services is not affiliated with Health Net Life Insurance Company. See the policy for pediatric dental benefit details.

14 The pediatric vision services benefits are underwritten by Health Net Life Insurance Company and administered by EyeMed Vision Care, LLC. EyeMed Vision Care, LLC is not affiliated with Health Net Life Insurance Company.
