### New rules for 2020

For 2020, Californians must have health care coverage or pay a penalty. You'll pay the penalty when you file your state taxes. To avoid paying the state penalty, individuals may qualify for an exemption. You can learn about exemptions at [www.CoveredCA.com](http://www.CoveredCA.com).

In 2020, the penalty is the higher of these two amounts:

- 2.5% of your yearly household income.
- \$695 per adult / \$347.50 per child under 18.

# The Benefits of Health Net

**Note:** We use the Health Net Essential Rx Drug List. Be sure doctors you see prescribe medicine that is on the Health Net Essential Rx Drug List. # Know Where to Go When You Need Care

Our plans offer a variety of ways to get the care you need, when you need it.

## At a doctor's office

## At home

## In a clinic

### Your primary care doctor (PCP)

Go to your PCP for routine and preventive care, such as annual wellness exams, illness, vaccinations, and general medical care.

### Providers in the plan network

Get care from other doctors, specialists or providers (like urgent care or hospitals) in your network.<sup>1</sup>

For PureCare HSP there is no coverage for out-of-network services except for emergency care, urgent care and services approved by Health Net.

To locate doctors, specialists and providers in the your plan's network, visit [myhealthnetca.com](http://myhealthnetca.com) and click on *Find a Doctor*.

### MHN network providers

Use an MHN provider for counseling, psychotherapy, treatment for addiction, psychiatric services. *PCP referral is not required.*

### 24/7 Teladoc

Use Teladoc for phone or online video consults with a Teladoc doctor or therapist. Ideal when you can't meet with your PCP, or their office is closed.<sup>1</sup>

### 24/7 Nurse advice line

Get advice from a registered nurse on whether to seek medical care, or how to care for illness and injury at home, like self-care for minor injuries and illness like fevers and the flu.<sup>1</sup>

### Walk-in retail clinics

Go to a walk-in retail clinic, such as MinuteClinics (found in select CVS Pharmacy stores) when you need in-person care for common illnesses and preventive care.<sup>1</sup>

### Urgent care centers

Get same-day care for non-emergency illnesses or injuries.<sup>1</sup>

<sup>1</sup>Go straight to the nearest emergency room or call 911 if you have an emergency.

# PureCare HSP Plans

## THROUGH COVERED CALIFORNIA

**Important tip:** Use the Health Net PureCare HSP provider network for all covered services. There is no coverage for out-of-network services except for emergency care, urgent care and services approved by Health Net.

*Our Health Care Services Plans (HSPs) are similar to HMOs. You choose a PCP who can help guide your care. There's one big difference. With an HSP, your PCP does not need to refer you to a specialist. You can see any specialist in the PureCare HSP network.*

*When you enroll, choose from two plan levels, a Bronze 60 or Minimum Coverage plan.*

## PureCare HSP plans – Your share of costs

The amounts shown here are what you would pay for the services you use with each plan. With Bronze 60 PureCare HSP, for example, your cost for a doctor office visit is \$65.

**Reminder!** Your share of costs is in addition to the monthly premium you pay for your health coverage.

Benefit	Bronze 60 PureCare HSP	Minimum Coverage PureCare HSP <sup>1</sup>
<b>Deductible</b> For one person / For family	\$6,300 / \$12,600	\$8,150 / \$16,300
<b>Out-of-pocket maximum</b> For one person / For family	\$7,800 / \$15,600	\$8,150 / \$16,300
<b>Doctor office visit</b>	\$65 <sup>2</sup>	0% <sup>2</sup>
<b>Teladoc consultation telehealth services<sup>3</sup></b>	\$0	0% <sup>2</sup>
<b>Specialist</b>	\$95 <sup>2</sup>	0%
<b>Hospital stay</b>	40%	0%
<b>Outpatient surgery</b>	40%	0%
<b>Urgent care</b>	\$65 <sup>2</sup>	0% <sup>2</sup>
<b>Emergency care<sup>4</sup></b>	Facility: 40%; Physician: \$0 <sup>5</sup>	Facility: 0%; Physician: \$0 <sup>5</sup>
<b>Prescription drugs</b>		
Prescription drug calendar year deductible	\$500 per member / \$1,000 per family	
Tier 1 (most generics and low-cost preferred brands)	\$18/script (after Rx deductible)	0% <sup>6</sup>
Tier 2 (non-preferred generics and preferred brands)	40% up to \$500/script (after Rx deductible)	0% <sup>6</sup>
Tier 3 (non-preferred brands only)		

This is a summary only. The PureCare HSP disclosure has plan overviews with more details about what services are covered with our PureCare HSP plans. The deductible applies for medical services and prescription drugs. Pediatric dental and vision services are covered until the last day of the month in which the child turns age 19.

<sup>1</sup>Minimum coverage plans are available to individuals who are under age 30. You may also be eligible for this plan if you are age 30 or older and are exempt from the federal requirement to maintain minimum essential coverage. Once you are enrolled, you must re-apply for a hardship exemption from [healthcare.gov](https://www.healthcare.gov) and re-submit the notice showing your exemption certificate number to Health Net every year – by January 1 – in order to remain on this plan.

<sup>2</sup>You get coverage for visits 1–3 before you pay your deductible. You just pay the copayment. For visits 4 and more, you pay the full cost until you have paid your deductible.

<sup>3</sup>Should not replace regular doctor visits. Only telehealth services provided by Teladoc are covered.

<sup>4</sup>You do not pay the copayment if you are admitted to the hospital.

<sup>5</sup>Your deductible does not apply to these services.

<sup>6</sup>Your medical deductible applies to prescription drugs for all tiers.
