ENHANCEDCARE PPO – QUICK START GUIDE

Coverage for
every stage of life™

Welcome!

Now that you're a part of the Health Net family, you'll want to make the most of all your new health plan has to offer.

For specific plan information please refer to your Policy included in this welcome packet.

Important things you need to know about your health coverage

- 1** Use the EnhancedCare PPO Individual & Family Plan provider network.
- 2** Set up your online member account.
- 3** Get your identification (ID) card.
- 4** Know where to get care.
- 5** Fill your prescriptions.
- 6** Use our wellness programs to help you stay strong.
- 7** Pay your monthly premium.
- 8** Know who to contact.

1 Use the EnhancedCare PPO Individual & Family Plan Provider Network

*When you need to access care, your plan uses providers from the **EnhancedCare PPO Individual & Family Plan network**. These include doctors, specialists and hospitals.*

With EnhancedCare PPO, you have the freedom to use out-of-network providers. But, you'll often pay less out of pocket when you use in-network providers.

Your primary care physician (PCP)

You may have picked a PCP when you enrolled. If you did not, one was assigned to you from the EnhancedCare PPO network. Your PCP's name is listed on your Health Net member ID card. If you want to change your PCP, log in to your member account at myhealthnetca.com (see page 3), then go to *Select/Change PCP*.

Your PCP helps you stay healthy and takes care of you when you are sick. If you need to see a specialist, your PCP can help guide you, but you do not need a referral from your PCP to see a specialist.

Remember to select specialists from the EnhancedCare PPO Individual & Family Plan network.

To find providers, visit
www.myhealthnetca.com
and click on *Find a Doctor*.

2 Set Up Your Online Member Account

This site is set up to help you explore your Health Net plan benefits and services.

To set up your account, go to **myhealthnetca.com** and follow the instructions to register/create an account. You will need your member ID number or your Social Security number to register. Once your account is set up and your health coverage begins, you can:

- **Print a temporary ID card or order a new card.**
- **Pay your bill.**
- **Find a doctor, urgent care or hospital in your network.**
- **Change your PCP.**
- **Review your health plan and pharmacy benefits.**
- **Use our online programs to help you manage weight or stop smoking.**
- **And more.**

3 Get Your Member ID Card

You will get a Health Net member ID card in the mail if you are a new member or if info about your health coverage has changed.

Your ID card includes:

- **Your member ID #.**
- **Effective date of your health coverage.**
- **Your PCP name and contact info.**

Show this card to your provider when you get services. If you have not received your ID card by your effective date and you need services, please call the Customer Contact Center:

- **Call 1-800-839-2172 (TTY: 711) if you enrolled directly with Health Net.**
- **Call 1-888-926-4988 (TTY: 711) if you enrolled through Covered California™.**

4 Know Where to Get Care

Your plan offers a variety of ways to get the care you need, when you need it.

At a doctor's office

Your primary care doctor (PCP)

Go to your PCP for routine and preventive care, such as annual wellness exams, illness, vaccinations, and general medical care.

Your PCP's name and number are on your Health Net ID card.

Other in-network providers

Get care from other doctors, specialists or providers (like urgent care or hospitals) in your network. No PCP referral required.

To find providers in the EnhancedCare PPO network, visit www.myhealthnetca.com and click on *Find a Doctor*.

MHN network providers

Use an MHN provider for counseling, psychotherapy, treatment for addiction, psychiatric services. PCP referral is not required.

Find an MHN provider at www.mhn.com/members.html, or call the Mental Health Benefits number listed on your Health Net ID card.

At home

Heal

Schedule a visit from a Heal doctor for primary, preventive and urgent care "house calls." A Heal doctor will come to you at your home, office or hotel, 8:00 a.m.–8:00 p.m., seven days a week. *Available by appointment in select urban areas.*

Call 1-844-644-4325 or visit www.heal.com/healthnet.com.

24/7 Teladoc

Use Teladoc for phone or online video consults with a Teladoc doctor or therapist. Ideal when you can't meet with your PCP or their office is closed.¹

Call 1-800-Teladoc (1-800-835-2362). Set up your account at www.teladoc.com/hn.

24/7 Nurse advice line

Get advice from a registered nurse on whether to seek medical care or how to care for illness and injury at home, like self-care for minor injuries and illness like fevers and the flu.¹

Call 1-800-893-5597 (TTY: 711).

In a clinic

Walk-in retail clinics

Go to a walk-in retail clinic, such as MinuteClinics (found in select CVS Pharmacy stores), when you need in-person care for common illnesses and preventive care.¹

Visit www.cvs.com/minuteclinic to search for locations near you.

Urgent care centers

Get same-day care for non-emergency illnesses or injuries.¹

Visit www.myhealthnetca.com and click on *Find a Doctor* to search for an EnhancedCare PPO network urgent care location near you.

You are in the EnhancedCare PPO Individual & Family Plan network.

¹Go straight to the nearest emergency room or call 911 if you have an emergency.

Know Your Options and Understand Your Costs

*You have the freedom to see providers that are not in the EnhancedCare PPO network. But these providers can bill you for any balance between what they charge and what Health Net pays. This is called “**balance billing**.”*

Balance billing costs are in addition to your monthly premium, copayments, coinsurance, and deductibles, and all types of out-of-pocket costs you pay when you access care.

The amount Health Net pays – the “**allowed amount**” – is set by your health plan benefits.

Other good things to know:

- **Balance billing amounts are not covered by your health plan.**
- **You may have to pay these costs on top of your copay and monthly premium.**
- **And these costs do not count toward your annual deductible or out-of-pocket maximum.**

You’ll find details about your share of costs in your Policy included in this Welcome Kit. You can also refer to your Summary of Benefits and Coverage (SBC) document.

For a copy of your SBC, go to myhealthnetca.com, then under *Our Health Plans*, select *Plan Materials*.

Let’s look at an example

Meet Joe. He sees a specialist outside the network.

The total charge is \$1,500 and the Health Net allowed amount is \$700. Joe may get a bill to pay the remaining \$800.

With more expensive care, like an emergency room visit, Joe’s costs could be even more.

Estimate costs and compare care options

Use our cost estimator tool to find out estimated costs for health care services and your out-of-pocket medical expenses. With this tool, you can compare estimated costs to find the best prices. Get estimated average costs for hospital stays, surgeries, X-rays, and more.

To use the tool, log in to your member account at myhealthnetca.com. Click *View Benefits*, then *Estimate Costs and Compare Care Options*.

If your doctor refers you to a specialist, make sure the provider is in your network to avoid balance billing.

5 Fill Your Prescriptions

*Make sure your doctor prescribes you medicine on the **Health Net Essential Rx Drug List**.*

The Essential RX drug list can be found at myhealthnetca.com under the Pharmacy Information section. Please note, your doctor should get prior approval from Health Net before prescribing some drugs. Then, use pharmacies in your health plan's network – **Advanced Choice Pharmacy Network**.

For info you'll need about prescription drugs, see the Policy in this Welcome Kit.

To find a pharmacy:

1. Go to myhealthnetca.com
2. Select *Pharmacy Information*, then *Find a Pharmacy*.
3. Select *Advanced Choice Pharmacy Network*.
