## 5 Tips on Choosing the Right Health Coverage

Enrollment season is the time each year when you can sign up for or change your health care coverage. It's also the time to explore whether the Health Net coverage you have is still right for you. You can do that directly through Health Net or through Covered California.™ Use our five tips to guide you.

**1** **Pick a health plan type.** Health Net offers a variety of health plans. They work like this:

	Community-Care HMO	Enhanced-Care PPO	PPO <sup>1</sup>	PureCare HSP	PureCare One EPO
<b>Requires a primary care physician (PCP)</b>	Yes	Yes	No	Yes	Yes
<b>You need a referral from your PCP before you see a specialist or get other services</b>	Yes	No	No	No	No
<b>You use one network for all services</b>	Yes – the CommunityCare HMO Network	Yes – the EnhancedCare PPO Network (smaller network than the Health Net PPO Network)	Yes – the Health Net PPO Network	Yes – the PureCare HSP Network	Yes – the PureCare One EPO Network
<b>Services outside of the network are covered</b>	No (except for emergency and urgent care)	Yes (but you'll pay less in-network)	Yes (but you'll pay less in-network)	No (except for emergency and urgent care)	No (except for emergency and urgent care)
<b>You file a claim form after you use services</b>	No	No	No	No	No

<sup>1</sup>PPO insurance plans are not available through Covered California.

See your individual HMO or HSP plan contract and *Evidence of Coverage (EOC)* or your individual EPO or PPO insurance policy for benefit plan details.

**2 Select a level.** Health plans are available at several “metal” levels – bronze, silver, gold, and platinum. Monthly premiums, copayments and benefits are different at each level. The best health plan for you will depend on your needs and your budget. Here’s how to tell them apart:

**3 See if you qualify for financial help through Covered California.** The government gives financial help to people who qualify. The lower your household income, the less you pay. You have to buy health coverage through Covered California to get this help.

**4 Sign up during the enrollment period.** Enrollment for 2019 runs from October 15, 2018, to January 15, 2019. This is the only time during the year when you can sign up for or make a change in your health coverage (unless an eligible life event qualifies you for special enrollment).

**5 Explore your health coverage options.** You can find all your 2019 health coverage options at [www.myhealthnetca.com](http://www.myhealthnetca.com) and [www.CoveredCA.com](http://www.CoveredCA.com) when enrollment starts.
