Rewards Program FAQs

Here at Health Net, we're all about health. Yours! Our online Health Risk Questionnaire (HRQ) is one of the ways we're investing in your health so that you can too!

What is the Health Net Wellness Rewards Program?

It's a program that is specifically designed to enhance your relationship with your primary care physician (PCP) by sharing your Health Risk Questionnaire (HRQ) results with your PCP for a \$50 gift card reward. To receive your reward, you must be an eligible Health Net member and complete the following actions:

- Log in to the www.myhealthnetca.com member site. **(Note:** If you are not yet registered on www.myhealthnetca.com, please complete the registration process in order to obtain access to our HRQ.) You'll see the information about wellness rewards within 30 days of your effective date.
- Complete the online HRQ.
- Schedule an appointment for your annual preventive care physical exam with your PCP, indicating you would like to discuss your HRQ results with your physician.
- Print your HRQ report and take it with you to your annual preventive care physical exam. It is important that you bring your results to the appointment because the report contains your actual HRQ results that you will be reviewing with your physician.

- Share your results with your PCP.
- After your appointment, log back in to your online account to confirm you shared your results with your PCP. Record any new health information that you may have obtained from your PCP visit in your online Personal Health Record.

What is the objective of the Health Net Wellness Rewards Program?

It is designed to reward eligible members for completing two actions:

- taking the online HRQ, and
- sharing the results with your PCP.

Once you have discussed your HRQ results with your PCP, you must log back in to your online account and complete the Primary Care Physician Form to confirm you shared your results with your PCP. The PCP form is located in the Rewards section under "Credits."

Only after you have completed these steps will you be eligible for a reward.

Q Who is eligible to participate?
The program is open to any Health Net member age 18 and over who is enrolled in a participating individual plan.

Q Who is eligible to receive a reward?
Any eligible member who completes the reward fulfillment requirements is eligible to receive the \$50 gift card reward.

Q How do I sign up to take my online HRQ?
You will need to register as a Health Net member at www.myhealthnetca.com. Click *Create An Account* and follow the instructions to complete your registration.

Q How do I find the HRQ on the Health Net website?

1. Go to www.myhealthnetca.com, and enter your user name and password information.
2. To access the HRQ, click on *Wellness Center* and go to the link under "Don't forget to take your HRQ!"
3. After clicking the link, you'll proceed to our secure website.

You can request a paper HRQ by contacting the Customer Contact Center number located on your ID card.

Q How will I receive my reward notification and incentive fulfillment instructions?
You will receive a notification (via USPS or email) that includes instructions on how to select your gift card.

Q How long does it take to receive my reward notification?
Please allow Health Net ten business days to process your reward notification.

Q What can I get with the gift card?
The gift card can be used at participating merchants nationwide. Depending on the retailer you choose, you can use your gift card online (please check with your retailer of choice if they accept gift cards for online purchases prior to selecting your reward) or in-store. You can even donate your reward to a nationally recognized charity.

\$50

In order to receive the \$50 gift card, you must first complete the HRQ online via the www.myhealthnetca.com website.

(continued)

Q How long will my reward be valid?
The reward does not expire.

Q Who do I contact if I do not receive my reward notification within ten business days?

You can call the Customer Contact Center number on the back of your ID card.

Q What if I already received a \$50 gift card reward for fulfilling the HRQ incentive requirements? Can I get another reward?

Eligible members may obtain the gift card reward once every calendar year. Incentive fulfillment requirements still apply.

Q How do I know that my information will be kept confidential?

Under federal law, Health Net cannot share personal health information.

The information exchanged between Health Net and its participating vendors is limited to what is necessary to fulfill the incentive to qualify for the reward. HRQ data is stored and protected in a secure database, and information is sent through a secure connection which encrypts all communications. Please note, the information in your HRQ results and your Personal Health Record cannot and will not be used to calculate or adjust your premium.

Complete *your Health Net HRQ today!*

Register for access to the Health Net website at www.myhealthnetca.com.
