Health & Wellness Programs and Services

A GUIDE FOR MEMBERS

Coverage for
every stage of life™

ChooseHealth – Take Action

Pursuing better health is our best defense against chronic medical conditions. That's why we created Decision Power®: Health & Wellness. With personalized tools and achievable goals, you can feel confident in your ability to make positive and lasting behavioral changes.

A bridge to healthy actions

Decision Power is a set of programs, created to engage people in their health. What you get is a bridge between knowing how to improve your health and wellness, and gaining the support and confidence to take action.

Our Decision Power programs encompass health and wellness, integrated care management, case management, and women and children's health.

Health & Wellness online

You can access most Decision Power: Health & Wellness programs and services anytime, anywhere.

Look for the  icon throughout this brochure to identify programs with online access.

Get to Know Health Net's Decision Power: Health & Wellness!

Health Risk Questionnaire and Personal Health Record

Staying healthy is as important as getting better. That's why we offer tools like our Health Risk Questionnaire (HRQ) and Personal Health Record (PHR).

These self-directed, preventive care resources connect you to personalized information about your behavioral and medical health risks, along with a personalized action plan.

Based on your unique health needs, you'll receive recommendations to programs and resources to help you better manage your health and promote healthy habits. You can also opt in to receive emails with updates and valuable program information.

myStrength – Strengthening Mind, Body and Spirit

myStrength is a confidential online resource, personalized to help improve your mood. The program's self-help tools are designed to help empower you to become – and stay – mentally and physically healthy. myStrength supports whole-person health, addressing topics like pain management, substance use, insomnia, depression, anxiety, and prenatal and postpartum behavioral health.

HERE ARE SOME PROGRAM HIGHLIGHTS:

- In-the-moment tracking.
- Interactive tools.
- Immediate stress-relieving tips.
- Weekly action plans.
- A variety of mood-improving activities.
- Daily inspiration.
- Mobile app.
- Step-by-step eLearning modules.
- A site that's highly confidential and HIPAA-compliant¹ – for member privacy!
- All this is included at no additional cost!

You can access the HRQ online and sign up for myStrength by logging in to:

- www.healthnet.com (Group members)
- or
- www.myhealthnetca.com (Individual & Family Plan members).

Healthy Lifestyle

¹Health Insurance Portability and Accountability Act, a 1996 federal law that restricts access to individuals' private medical information.

Health Promotion Programs

Looking for a more flexible way to improve your health and wellness – on your own terms? Then these comprehensive behavior-change programs may be ideal. Our Health Promotion programs offer a self-directed, online path to achieving and maintaining health goals.

These programs include achievable goals, personalized to your preferences and interests. Program topics include:

- Reach a Healthy Weight.
- Improve Your Diet.
- Feel Less Stress.
- Be More Active.
- Live Tobacco-Free.
- Managing Type 2 Diabetes.
- Managing High Blood Pressure.

Each program focuses on one health topic and includes a to-do list of action items to help you reach your goals. And these programs are available online, so you can take steps for positive and lasting change when and where it's most convenient!

Online Seminars

You'll have fun with our engaging seminars, which cover important health topics, while helping you take steps to live a healthier lifestyle. A new seminar is available the first of each month. Each complimentary seminar contains a topic-related article for easy printing.

Wellness Health Coaching

You can improve your health by interacting with a virtual health coach online or by engaging with a live health professional by telephone. Coaching outreach is driven by your specific needs. The program offers flexible communication, including secure email, eLearning modules and telephone. The online features include coaching tools like journaling, goal-setting and exercise/food trackers.

Start Smart for Your Baby® Program

Start Smart for Your Baby (SSFB) is a program for pregnant and new moms, providing custom support and care for a healthy pregnancy and baby. Sign up to receive health education materials, such as *Mother's Guide to Pregnancy* and *Guide to Life After Delivery*, and guidance from a care manager throughout your pregnancy.

Quit For Life®

The Quit For Life tobacco cessation program covers any type of tobacco, including the use of Electronic Nicotine Delivery Systems (ENDS), such as e-cigarettes and e-pipes. The program lets you talk with a quit coach for encouragement and support, and offers a personalized plan to quit. Here are some highlights of the program:

- **In-depth assessment and personalized cessation plans**, with medication support recommendations.
- **Up to four proactive, one-on-one counseling calls**, plus unlimited calls to our program clinicians.
- Quit For Life participant toolkit – **Quit Guide**.
- Helpful toolkit for family and friends – **Ally Guide**.
- Access to our **Text2Quit** tool.

Online Chronic Condition Resources

If you have an existing health condition, we offer online informational centers with tools and resources to help you stay healthy for the long term. You'll access articles, videos and interactive tools, all organized by condition. Conditions include diabetes, heart disease, high cholesterol, asthma, high blood pressure, cancer, and more.

Integrated Care Management

Health Net's Integrated Care Management program supports and coordinates health care for members with complex physical, behavioral and psychosocial health issues, as well as members with chronic conditions, such as diabetes, asthma, congestive heart failure (CHF), or coronary artery disease (CAD). The program supports Health Net members, families and caregivers to help members achieve the best health, functional ability and quality of life through improved management of their disease or condition.

We offer a dedicated Quit For Life website with helpful information, a chat function and learning modules.

Smart Treatment Decisions

Smart Treatment Decisions is an online resource that offers decision points about:

- Medical tests.
- Medicines.
- Surgeries.
- Treatments and other issues.

With these decision points, you can focus on making informed health decisions by considering the benefits, risks and costs of each option, as well as how you feel about your condition.

Medications

With this tool, you'll learn about side effects, interactions, precautions, and more, including details about taking medications as prescribed, and tools to help you make better-informed decisions about medications.

Surgeries and procedures

Before making a decision about having surgery or a major procedure, you can use this tool to get informed and learn the basics about what to expect with different types of surgeries and procedures.

Smart Treatment Decisions

Take Charge of Your Health Program

Take Charge of Your Health, helps you better manage your chronic medical conditions through tailored wellness strategies and healthy behaviors you can stick to.

You'll follow a self-paced, online set of actions that count toward milestones and encourage you to take a more active role in your health.

Type 2 diabetes and high blood pressure management are the first conditions supported under this new focus area with additional conditions soon to follow.

More Tools and Resources

Nurse Advice Line

You can reach out to a clinician – 24 hours a day – and get instant support via telephone or by using the online chat system to ask questions in real time. You'll also get answers to questions about symptoms, minor illnesses or injuries, chronic conditions, medical tests, and medications.

Progress Trackers

You'll stay up-to-date on important lifestyle habits using a variety of online tracking tools. Our progress trackers are available for blood pressure, cholesterol, HbA1c, exercise, stress management, and more. You can access these trackers individually as standalone tools or as a part of our Health Promotion programs.

Interactive Health Conversations

You can interact and get inspired with virtual health advisors. You'll engage in short virtual conversations on a host of health-related topics, including:

- Getting active.
- Healthy weight.
- Dealing with stress.
- Sleeping well.
- Preventing falls.
- Quitting smoking.

To get started with interactive health conversations:

- Log in to **www.healthnet.com** (Group members) or **www.myhealthnetca.com** (Individual & Family Plan members).
- Click on Wellness Center.
- Click on Explore All Wellness Tools.
- Click on the Member Resource Center tab.
- From the drop-down, click on Wellness Resources and then Conversations.

Useful monthly newsletters can help you make smart decisions that can improve your health.

Healthy Discounts

You'll enjoy discounts on a variety of health services, programs and tools. These services include:

- Weight management.
- Chiropractic and acupuncture.
- Vitamins, minerals and herbal supplements.
- Eye care.
- Hearing aids and screenings.
- Fitness club.

Preventive Screening Guidelines

These guidelines offer a schedule of Health Net's recommended health screenings and immunizations for children, adolescents and adults. These guidelines also provide information about pediatric and maternity screenings.

You can find the current preventive screening guidelines by logging in to **www.healthnet.com** (Group members) or **www.myhealthnetca.com** (Individual & Family Plan members). After logging in, click on *Wellness Center* then *Stay Healthy*, and choose the Preventive Guideline PDF that fits your situation.

Monthly Wellness Webinars

You'll access monthly health topics via webinars at work or at home. Topics vary and include Financial Wellness, Mindfulness, and Cold and Flu.

Health Net offers the Wellness Webinar Series the third Wednesday of each month. Group members log in to **www.healthnet.com**, and Individual & Family Plan members log in to **www.myhealthnetca.com**. Click on the orange *New Series Wellness Webinar* button to register.
