**THIS IS A SUMMARY OF BENEFITS. IT DOES NOT INCLUDE ALL SERVICES, LIMITATIONS OR EXCLUSIONS. PLEASE REFER TO THE POLICY FOR TERMS AND CONDITIONS OF COVERAGE.**

<sup>1</sup> In accordance with the Affordable Care Act, American Indians and Alaskan Natives, as determined eligible by the Exchange and regardless of income, have no cost-sharing obligation under this policy for all items or services that are provided by a provider of the Indian Health Service (IHS), an Indian Tribe, Tribal Organization, or Urban Indian Organization or through referral under Purchased/Referred Care. Referrals under Purchased/Referred Care must be issued by an IHS provider, and must be authorized by IHS's Managed Care Committee. Cost sharing means Copayments, including Coinsurance, and Deductibles. Purchased/Referred Care means health services provided at the expense of the Indian Health Service from public or private medical or hospital facilities other than those of the Service, e.g., dentists, physicians, hospitals, and ambulances.

<sup>2</sup> Certain services require prior certification from Health Net. Without prior certification, an additional \$250 is applied for in-network providers, and \$500 is applied for out-of-network providers. Refer to the policy for details.

<sup>3</sup> Insured pays coinsurance based on the negotiated rate, which is the rate participating or preferred providers have agreed to accept for providing a covered service.

<sup>4</sup> Please refer to the policy for out-of-network reimbursement methodology.

<sup>5</sup> Any amount applied toward the calendar year deductible for covered services and supplies received from an in-network provider will not apply toward the calendar year deductible for out-of-network providers. In addition, any amount applied toward the calendar year deductible for covered services and supplies received from an out-of-network provider will not apply toward the calendar year deductible for in-network providers.

<sup>6</sup> Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers, and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers. Copayments or coinsurance for out-of-network emergency care, including emergency room and ambulance services, accrues to the out-of-pocket maximum for preferred providers.

<sup>7</sup> Services provided by select telehealth services providers are not intended to replace services from your physician, but are a supplemental service that may provide telehealth coverage for certain services at a lower cost. Telehealth consultations through a select telehealth services provider do not cover specialist services and prescriptions for substances controlled by the DEA, non-therapeutic drugs or certain other drugs which may be harmful because of potential for abuse. See the Individual and Family Plan policy for details. To obtain services, contact the select telehealth services provider directly as shown on your ID card.

<sup>8</sup> Covered services based on the United States Preventive Services Task Force (USPSTF) grade A and B recommendations; recommendations of the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Director of the Centers for Disease Control and Prevention (CDC); women's preventive care and screenings provided for in comprehensive guidelines supported by the Health Resources and Services Administration (HRSA); and comprehensive guidelines supported by HRSA for infants, children and adolescents. For more information about generally recommended preventive services, go to [www.healthcare.gov](http://www.healthcare.gov). The applicable cost-sharing for preventive care will apply to these services.

<sup>9</sup> If a hospital does not bill charges for inpatient professional services separately from the inpatient facility fee, the deductible will apply.

<sup>10</sup> Benefits are administered by MHN Services, an affiliate behavioral health administrative services company, which provides behavioral health services.

<sup>11</sup> The Essential Rx Drug List is a list of prescription drugs that are covered by this plan. Some drugs require prior authorization from Health Net. For a copy of the Essential Rx Drug List, go to Health Net's website. Refer to the policy for complete information about prescription drugs. Plans will cover most female prescription contraceptives at \$0 cost-share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your policy and Health Net's Essential Rx Drug List for coverage, cost-share and tier information. The policy is a legal, binding document. If the information in this brochure differs from the information in the policy, the policy controls. For details regarding a specific drug, go to [www.myhealthnetca.com](http://www.myhealthnetca.com).

<sup>12</sup> Pediatric dental and vision are included up to the last day of the month in which the insured turns 19 years of age. Cost-sharing is applicable for non-diagnostic and preventive pediatric dental benefits.

<sup>13</sup> The pediatric dental benefits are underwritten by Health Net Life Insurance Company and administered by Dental Benefit Administrative Services. Dental Benefit Administrative Services is not affiliated with Health Net Life Insurance Company. See the policy for pediatric dental benefit details.

<sup>14</sup> The pediatric vision services benefits are underwritten by Health Net Life Insurance Company. Health Net contracts with Envision Vision, Inc., to administer the pediatric vision services benefits.
