Available through Covered California™

Silver 73 Ambetter PPO

The Silver 73 Ambetter PPO health plan utilizes the **Ambetter PPO** provider network for covered benefits and services. For a lower cost-share, please make sure you use providers (doctors, hospitals, etc.) in the Ambetter PPO provider network. **Ambetter PPO** is available through Covered CA in Los Angeles, Orange, Sacramento, San Diego, and Yolo counties, and parts of Placer, Riverside and San Bernardino counties.

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE PLAN CONTRACT AND EVIDENCE OF COVERAGE (“PLAN CONTRACT AND EOC”) AND SCHEDULE OF BENEFITS SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

The copayment amounts listed below are the fees charged to you for covered services you receive. Copayments can be either a fixed dollar amount or a percentage of Health Net’s cost for the service or supply and is agreed to in advance by Health Net and the contracted provider. Fixed dollar copayments are due and payable at the time services are rendered. Percentage copayments (also called coinsurance) are usually billed after the service is received. Covered services for medical, mental disorders and chemical dependency conditions provided appropriately as telehealth services are covered on the same basis and to the same extent as covered services delivered in-person.

- ¹ Certain services require prior authorization from Health Net. Without prior authorization, an additional \$250 is applied for in-network providers, and \$500 is applied for out-of-network providers. Refer to the Plan Contract and EOC for details.
- ² Member pays coinsurance based on the negotiated rate, which is the rate participating or preferred providers have agreed to accept for providing a covered service.
- ³ Please refer to the Plan Contract and EOC for out-of-network reimbursement methodology.
- ⁴ Any amount applied toward the calendar year deductible for covered services and supplies received from an in-network provider will not apply toward the calendar year deductible for out-of-network providers. In addition, any amount applied toward the calendar year deductible for covered services and supplies received from an out-of-network provider will not apply toward the calendar year deductible for in-network providers.
- ⁵ Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers, and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers. Copayments or coinsurance for out-of-network emergency care, including emergency room and ambulance services, accrues to the out-of-pocket maximum for preferred providers.
- ⁶ You may receive services on an in-person basis or via telehealth, if available, from your primary care provider, a treating specialist or from another contracting individual health professional, contracting clinic, or contracting health facility consistent with the service and existing timeliness and geographic access standards required under California law. Any cost share for services received through the select telehealth services provider will accrue toward your out-of-pocket maximum and deductible (if your plan has a deductible). By scheduling through the select telehealth services provider, you consent to receive services via telehealth through the select telehealth services provider. See the Individual and Family Plan Contract and EOC for coverage information and for the definition of telehealth services. You have a right to access your medical records for services received through the select telehealth services provider. Unless you choose otherwise, any services provided through the select telehealth services provider shall be shared with your primary care provider.
- ⁷ Preventive care services are covered for children and adults, as directed by your physician, based on the guidelines from the U.S. Preventive Services Task Force (USPSTF) Grade A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Centers for Disease Control and Prevention (CDC), and the guidelines for infants, children, adolescents and women's preventive health care as supported by the Health Resources and Services Administration (HRSA). Preventive care services include, but are not limited to, periodic health evaluations, immunizations, diagnostic preventive procedures, including preventive care services for pregnancy, and preventive vision and hearing screening examinations, a human papillomavirus (HPV) screening test that is approved by the federal Food and Drug Administration (FDA), and the option of any cervical cancer screening test approved by the FDA. One breast pump and the necessary supplies to operate it will be covered for each pregnancy at no cost to the member. We will determine the type of equipment, whether to rent or purchase the equipment and the vendor who provides it.
- ⁸ If a hospital does not bill charges for inpatient professional services separately from the inpatient facility fee, the deductible will apply.
- ⁹ Benefits are administered by MHN Services, an affiliate behavioral health administrative services company, which provides behavioral health services.
- ¹⁰ The Essential Rx Drug List is the approved list of medications covered for illnesses and conditions. It is prepared by Health Net and distributed to Health Net contracted physicians and participating pharmacies. Some drugs on the List may require prior authorization from Health Net. Drugs that are not listed on the List (previously known as nonformulary) that are not excluded or limited from coverage are covered. Some drugs that are not listed on the list do require prior authorization from Health Net. Health Net will approve a drug not on the List at the Tier 3 copayment if the member's physician demonstrates medical necessity. For a copy of the Essential Rx Drug List, call Health Net's Customer Contact Center at the number listed on the back of your Health Net ID card or visit our website at www.myhealthnetca.com.
