

California Individual & Family Plans

Available through Covered California™

Bronze 60 Ambetter PPO

The Bronze 60 Ambetter PPO health plan utilizes the **Ambetter PPO** provider network for covered benefits and services. For a lower cost-share, please make sure you use providers (doctors, hospitals, etc.) in the Ambetter PPO provider network. **Ambetter PPO** is available through Covered CA in Los Angeles, Orange, Sacramento, San Diego, and Yolo counties, and parts of Placer, Riverside and San Bernardino counties. **Except for urgent care and Emergency Care, services and supplies provided by Out-of-Network Providers are not covered outside California.**

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE PLAN CONTRACT AND EVIDENCE OF COVERAGE (“PLAN CONTRACT AND EOC”) AND SCHEDULE OF BENEFITS SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

The copayment amounts listed below are the fees charged to you for covered services you receive. Copayments can be either a fixed dollar amount or a percentage of Health Net’s cost for the service or supply and is agreed to in advance by Health Net and the contracted provider. Fixed dollar copayments are due and payable at the time services are rendered. Percentage copayments (also called coinsurance) are usually billed after the service is received. Covered services for medical conditions and mental health and substance use disorders provided appropriately as telehealth services are covered on the same basis and to the same extent as covered services delivered in-person. Telehealth services will be covered only when performed by a preferred provider.

THIS IS A SUMMARY OF BENEFITS. IT DOES NOT INCLUDE ALL SERVICES, LIMITATIONS OR EXCLUSIONS. PLEASE REFER TO THE PLAN CONTRACT AND EOC FOR TERMS AND CONDITIONS OF COVERAGE.

NOTE: In accordance with the Affordable Care Act, American Indians and Alaskan Natives, as determined eligible by the Exchange and regardless of income, have no cost-sharing obligation under this plan for items or services that are essential health benefits if the items or services are provided by a participating provider that is also a provider of the Indian Health Service (IHS), an Indian Tribe, Tribal Organization, or Urban Indian Organization or through referral under contract health services, as defined by federal law. Cost-sharing means copayments, including coinsurance and deductibles. In addition, an American Indian or Alaskan Native who is enrolled in a zero-cost sharing plan variation (because your expected income has been deemed by the Exchange as being at or below 300% of the Federal Poverty Level), has no cost sharing obligation for essential health benefits when items or services are provided by any participating provider.

- ¹ Certain services require prior authorization from Health Net. Without prior authorization, an additional \$250 is applied for in-network providers, and \$500 is applied for out-of-network providers. Refer to the *Plan Contract and EOC* for details.
- ² Member pays coinsurance based on the negotiated rate, which is the rate participating or preferred providers have agreed to accept for providing a covered service.
- ³ Please refer to the *Plan Contract and EOC* for out-of-network reimbursement methodology.
- ⁴ Any amount applied toward the calendar year deductible for covered services and supplies received from an in-network provider will not apply toward the calendar year deductible for out-of-network providers.
- ⁵ Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers, and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers. Copayments or coinsurance for out-of-network emergency care, including emergency room and ambulance services, accrues to the out-of-pocket maximum for preferred providers.
- ⁶ Bronze 60 plan: The calendar year deductible applies after the first 3 non-preventive specialist visits.
- ⁷ You may receive services on an in-person basis or via telehealth, if available, from your primary care provider, a treating specialist or from another contracting individual health professional, contracting clinic, or contracting health facility consistent with the service and existing timeliness and geographic access standards required under California law. Any cost share for services received through the select telehealth services provider will accrue toward your out-of-pocket maximum and deductible (if your plan has a deductible). By scheduling through the select telehealth services provider, you consent to receive services via telehealth through the select telehealth services provider. See the Individual & Family *Plan Contract and EOC* for coverage information and for the definition of telehealth services. You have a right to access your medical records for services received through the select telehealth services provider. Unless you choose otherwise, any services provided through the select telehealth services provider shall be shared with your primary care provider.
- ⁸ Preventive care services are covered for children and adults, as directed by your physician, based on the guidelines from the U.S. Preventive Services Task Force (USPSTF) Grade A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Centers for Disease Control and Prevention (CDC), and the guidelines for infants, children, adolescents and women's preventive health care as supported by the Health Resources and Services Administration (HRSA). Preventive care services include, but are not limited to, periodic health evaluations, immunizations, diagnostic preventive procedures, including preventive care services for pregnancy, and preventive vision and hearing screening examinations, a human papillomavirus (HPV) screening test that is approved by the federal Food and Drug Administration (FDA), and the option of any cervical cancer screening test approved by the FDA. One breast pump and the necessary supplies to operate it will be covered for each pregnancy at no cost to the member. We will determine the type of equipment, whether to rent or purchase the equipment and the vendor who provides it.
- ⁹ After the medical deductible has been reached, the member is responsible for 40% of the eligible charges until their out-of-pocket maximum limit is met. For in-network benefits, eligible charges are the negotiated rate. For out-of-network emergency room and emergency medical transportation, eligible charges are the allowed charges and are subject to the in-network deductible and accrue to the in-network out-of-pocket maximum.
- ¹⁰ The Essential Drug List is the approved list of medications covered for illnesses and conditions. It is prepared by Health Net and distributed to Health Net contracted physicians and participating pharmacies. Some drugs on the List may require prior authorization from Health Net. Drugs that are not listed on the List (previously known as nonformulary) that are not excluded or limited from coverage are covered. Some drugs that are not listed on the list do require prior authorization from Health Net. Health Net will approve a drug not on the List at the Tier 3 copayment if the member's physician demonstrates medical necessity. For a copy of the Essential Drug List, which you can use to search for a particular drug, call Health Net's Customer Contact Center at the number listed on the back of your Health Net ID card or visit our website at www.myhealthnetca.com.
- ¹¹ Bronze 60 plan: After the pharmacy deductible has been reached, the member will be responsible for 40% of the cost of all Tier 2, 3, and 4 drugs up to a maximum payment of \$500 for each prescription of up to a 30-day supply, until the out-of-pocket maximum limit is met.
- ¹² Pediatric dental and vision are included up to the last day of the month in which the Member turns 19 years of age. Cost-sharing is applicable for non-diagnostic and preventive pediatric dental benefits.
- ¹³ The pediatric dental benefits are provided by Health Net of California, Inc. and administered by Dental Benefit Providers of California, Inc. (DBP). DBP is not affiliated with Health Net of California, Inc. See the *Plan Contract and EOC* for pediatric dental benefit details.
- ¹⁴ The pediatric vision services benefits are provided by Health Net of California, Inc. Health Net contracts with Centene Vision Services to administer the pediatric vision services benefits.
