Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$0 through the preferred provider network. \$5,000 per person / \$10,000 per family for out-of-network providers per calendar year.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	There is no <a href="#">deductible</a> through the preferred provider network.	There is no <a href="#">deductible</a> through the preferred provider network. You will however have to meet the out-of-network <a href="#">deductible</a> before the <a href="#">plan</a> pays for any out-of-network services (except for emergency services).
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For preferred providers \$4,500 per person / \$9,000 per family. For out-of-network providers \$25,000 per person / \$50,000 per family per calendar year.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limit</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges, penalties for non-certification and healthcare this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. For a list of <b>preferred providers</b> , see <a href="http://www.myhealthnetca.com/findadoctor">www.myhealthnetca.com/findadoctor</a> or call 1-888-926-4988.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
